**i.29 WHAT IS CASHLESS HOSPITALIZATION?**

Cashless hospitalization is service provided by the TPA on Our behalf whereby you are not required to settle the hospitalization expenses at the time of discharge from hospital. The settlement is done directly by the TPA on Our behalf. However, those expenses which are not admissible under the Policy would not be paid, and You would have to pay such inadmissible expenses to the Hospital. Cashless facility is available only in Networked Hospitals. Prior approval is required from the TPA before the patient is admitted into the Network Hospital. You may visit our website at <http://newindia.co.in/listofhospitals.aspx> The list of Network Hospitals can also be obtained from the TPA or from their website. You will have full freedom to choose the hospitals from the Network Hospitals and avail Cashless facility on production of proof of Insurance and Your identity, subject to the claim being admissible. The TPA might not agree to provide Cashless facility at a hospital which is not a Network Hospital. In such cases You may avail treatment at any Hospital of Your choice and seek reimbursement of the claim subject to the terms and conditions of the Policy. In cases where the admissibility of the claim could not be determined with the available documents, even if the treatment is at a Network Hospital, the TPA may refuse to provide Cashless facility. Such refusal may not necessarily mean denial of the claim. You may seek reimbursement of the expenses incurred by producing all relevant documents and the TPA may pay the claim, if it is admissible under the terms and conditions of the Policy.
