Dear Retirees of New India,

The enrolment data is displayed on the portal for the purpose of checking details of the family members, the Eligible Sum insured, Opted Sum insured, email id, Date of Birth etc.,

If there happens to be any mistake in the data, the same can be rectified by contacting the office from where the employee has retired.

Please note that the premium payment link will only be activated with the updated/ corrected data at the time of renewal in the month of March 2025.

Hence, the retired employees are requested to log in to the portal and check their coverage details only.

If there is any rectification required, they may contact the office which would be renewing the policy.

The retirees will be getting SMS at the time of renewal.
