Relocating of Kundrathur Small Business Office 713209 to a New Premises

The present Small Business Office at Kundrathur is growing in the business potential showing consistency along with the profitability, in line with our Corporate ideology. The office has more potential to be tapped as it is situated in a rapidly expanding residential environment and well connected with the neighbouring upcoming habitats.

It is proposed to relocate it to a new premises through "Search and select" basis, by inserting an advertisement in our company website. It is essential to find an alternate premises with better environment for an increased footfall and to achieve growth with prompt service.
